New Base Opening at Cape Eleuthera - Fall/Winter of 2010 we will be moving 3 yachts to [Cape Eleuthera](#), Bahamas. Many fun itineraries can be experienced from this beautiful Bahamian location in South Eleuthera. One way itineraries are available to Great Exuma as well as North Eleuthera, Cat Island, Long Island, Rum Cay, etc. Pickups can be arranged from Nassau, but avoiding the upwind sail makes the flight more palatable to Eleuthera where everything is downwind sailing. Winter sailing temperatures are a little warmer here than the northern Bahamas/Abacos. [Press Release](#)
